Set in the 1950`s on a lonely country lane in the Highlands, the happiest evening in this mans life comes to a sudden stop.

Dreams of marriage, family and children suddenly giveway for a nightmare, a nightmare where a mans life hangs in the balance and there is no "wake up call" this time.

He was dead, his stained cloths testamant to the harrowing events of that evening, so why is he here now -and who are these people....come to think of it, what are these people?

Whether it be science fiction or even paranormal, you the reader decide for yourself, but please be sure of one thing- this not natural.
