What William Gibson did for science fiction, China MiÅ©ville has done for fantasy, shattering old paradigms with fiercely imaginative works of startling, often shocking, intensity. Now from this brilliant young writer comes a groundbreaking collection of stories, many of them previously unavailable in the United States, and including four never-before-published talesâ€”one set in MiÅ©villeâ€™s signature fantasy world of New Crobuzon. Among the fourteen superb fictions are

â€œJackâ€”Following the events of his acclaimed novel *Perdido Street Station*, this tale of twisted attachment and horrific revenge traces the rise and fall of the Remade Robin Hood known as Jack Half-a-Prayer.

â€œFamiliarâ€”Spurned by its creator, a sorceressâ€™s familiar embarks on a strange and unsettling odyssey of self-discovery in a coming-of-age story like no other.
